Helicopter Excursions

We have the opportunity to offer the most comprehensive and diverse fleet of Helicopters in Namibia. Combined with our fixed-wing aircraft, we are able to offer our customers almost unlimited possibilities what the aviation requires. Our aviators are ranked among the best in Southern Africa, with a perfect safety record. We comply with every requirement of the civil aviation Act of Namibia. Our vast experience throughout Namibia and even neighboring countries imply that we can take you almost anywhere, permitted no legal restrictions to certain protected areas exist.
